Dear Parents

A warm welcome to all my parents. I am looking forward to a great academic year ahead. Let us all have a blast in 2008 with your never ending support and make this year a happy and productive one for all our students.

Please take note of the following details:-

- The school calendar for 2008 – 09 will be given to the students on 12th June 2008 which will give a greater understanding of the school's functioning.
- We have especially prepared a detailed curriculum for all classes which state syllabus contents for the entire academic year .This curriculum booklet will be given to the students on 17th June 2008.
- Students must have received the required textbooks through courier by now. If you have not received the appropriate textbook, please note that all students will be given the required textbooks and notebooks (Grade Nursery to VII) between 5th to 9th June 2008.
- The students who have not yet got the uniform are requested to be modestly dressed and come in civil formal clothes. Details with regards to collecting the school uniforms will be intimated to the students once the school commences.
- To avail the bus facility, kindly contact Mr. Pradeep Nair from the Transport Department.

The year ahead will be a fruitful one as we have planned loads of stimulating activities for your children. Studies have proved that parental involvement in a child's education is one of the strongest indicators of student achievement. We hope you will make it a priority this year to attend as many school – sponsored events as possible.

Once again, welcome to a new academic year. Let us work together to make this the best year ever!!!

Dr. Vandana Lulla
Director/Principal
